Section 1 – Introduction

This directory provides a list of Wellcare By Fidelis Care's network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider** (PCP). Generally, you must get your health care services from your PCP. The term PCP will be used throughout this directory.

The PCP you choose will be your personal physician. He or she will get to know you and give you your routine care and will also coordinate any other covered services you need.

To choose or change your PCP, review the list of PCPs in this directory until you have found one you prefer. Once you've selected a PCP, the first thing you should do is call his or her office and ask if he or she will accept Wellcare By Fidelis Care, and is accepting new patients. Doing this is the best way to make sure you can choose that doctor. **If you are new to our plan and the doctor you've been seeing is a PCP in our network, you can choose that doctor as your PCP and you will not be considered a new patient by that doctor.**

The network providers listed in this directory have agreed to provide you with health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. If you feel you need to change providers, call Member Services at the number on the first page and back cover of this booklet and ask for help finding a new provider. For details on referrals and out-of-network services covered by your plan, please see your Evidence of Coverage.

Once you have selected your PCP, please let us know by calling our Member Services Department at the phone number listed on the first page and back cover of this booklet. We can also help you choose a PCP.

Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 30 days for routine and preventative care.

In-Network and Out-of-Network Providers

In-network providers are those that your plan has contracted with to deliver essential services needed to maintain and improve your health. In-network providers typically offer lower out-of-pocket costs for the plan's members.

If you obtain routine care from out-of-network providers, neither Medicare nor Wellcare By Fidelis Care will be responsible for the costs.

What should I do if I have bills from non-network providers that I think should be paid by Wellcare By Fidelis Care?

We cover certain health care services that you get from non-network providers. These include care for a medical emergency, urgently needed care, renal (kidney) dialysis that you get when you are temporarily outside of the plan's service area, care that has been approved in advance by Wellcare By Fidelis Care, care obtained via your plan's out-of-network benefit (if applicable) and any services which are ordered to be covered as a result of an appeals process. If a non-network provider asks you to pay for any covered services you get in these situations, please contact Member Services at the phone number listed on the first page of this booklet.

Federal law states that you are not required to pay **any** provider who accepts Medicare more than what is allowed by Medicare. Ask non-network providers to bill us first or send us the bill when you receive it. We will pay for our share of the cost and let you know what, if anything, you must pay. If you have already paid for services covered by the plan, send us the bill and your receipt and we will reimburse you for our share of the cost. The address to send your bill to is located on the back of your ID card.

How do I get care if I have a medical emergency or an urgent need for care?

Emergency care can always be obtained from the nearest available provider. When in your plan's service area, you should use network providers for urgently needed care. When out of the service area, urgently needed care may be obtained from the first available provider. In addition, when temporarily out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

What should I do if I have a medical emergency?

- Get medical help as quickly as possible. Call **911** or go directly to the nearest emergency room. In an emergency, you never need to contact any plan provider, for permission (authorization) or a referral.
- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call our Member Services Department at the phone number listed on the first page and back cover of this booklet.

Your PCP will help manage and follow up on your emergency care. It is important to know that every emergency has two stages.

When doctors or the hospital providing emergency care consider your condition "stable," the first stage of the medical emergency ends. However, even after your condition is stabilized, you are still considered to be in an emergency. Wellcare must still pay for post-stabilization treatment provided by the hospital whether the hospital is a network provider or not. This second stage of the emergency is called "post-stabilization."

Generally, the hospital or doctors providing emergency care will work with your PCP to agree on an appropriate course of action such as discharge or transfer to a different facility or care setting. Once this has occurred, you are no longer in an emergency or post-stabilization situation.

After your emergency your plan is responsible for your follow-up care but will only pay for follow-up care if you follow the plan rules. You may need to get authorization for follow-up care from plan providers. If you get your follow-up care from non-plan providers, the plan may not pay for them and your out-of-pocket costs may be higher.

What if it wasn't really a medical emergency?

For the plan to pay for your emergency care, you do not have to be certain that it is an emergency. For example, you might go in for emergency care thinking that your health is in serious danger, but the doctor may disagree and not consider it a medical emergency. If this happens, you are still covered for the diagnostic treatment and care you received to determine what was wrong. For more information about covered services, see your Evidence of Coverage.

- If you get any extra care after the doctor says it was not a medical emergency, your plan will only pay for the extra care if you get this care from a network provider.
- If you get any extra care from a non-network provider after the doctor says it was not a medical emergency, the plan will only pay for it if it is considered "Urgently needed." For more information about what qualifies as "urgently needed care," see your Evidence of Coverage.

What is the service area for Wellcare By Fidelis Care?

This directory is for Albany, Fulton, Hamilton, Montgomery, Rensselaer, Schenectady. However, we cover a larger service area, and there are more providers and pharmacies available in our plan network not listed in this directory. To receive a directory of your plan's entire provider network, please call Member Services at the number listed on the first page and back cover of this booklet, or visit www.wellcare.com/fidelisNY.

How do you find Wellcare By Fidelis Care providers that serve your area?

This directory lists providers that are in our network. The list of providers begins in Section 2. They are grouped into several broad categories including Hospitals, Primary Care Providers, Specialty Providers, Behavioral Health and others.

The list of providers is sorted by county. Within each county, the providers have been sorted alphabetically, by category and specialty. There are also five indexes at the end of the book that list providers alphabetically, by language, by specialty and by extended hours.

If you have questions about Wellcare By Fidelis Care or require assistance in selecting a PCP, please call our Member Services Department toll-free at **1-800-247-1447**. You can also visit www.wellcare.com/fidelisNY.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Member Services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Wellcare Fidelis Dual Plus (HMO D-SNP)

This pharmacy directory was updated on 01/29/2025.

For more recent information or other questions, please contact Wellcare By Fidelis Care at **1-800-247-1447** or, for TTY users, **711**. Hours of operation are Monday - Friday, 8 a.m. to 8 p.m. Between October 1 and March 31, representatives are available Sunday - Saturday, 8 a.m. to 8 p.m., or visit **www.wellcare.com/fidelisNY**.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at **www.wellcare.com/fidelisNY**. You may also call Member Services toll-free at **1-800-247-1447** (TTY users should call **711**) for updated information.

Section 3 - Pharmacy Introduction

This booklet provides a list of our network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Wellcare Fidelis Dual Plus (HMO D-SNP) formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Wellcare By Fidelis Care. When it refers to “plans” or “our plans” it means Wellcare Fidelis Dual Plus (HMO D-SNP).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under our plans only if they are filled at a network pharmacy or through our mail service pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 01/29/2025. For the most current list, please contact us. Our contact information appears on the first page and back cover of this booklet.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with an asterisk (*) to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Express Scripts Pharmacy. For more information, please contact us or see the mail service section of this Pharmacy Directory.

This directory is for Albany, Fulton, Hamilton, Montgomery, Rensselaer, Schenectady. However, we cover a larger service area, and there are more providers and pharmacies available in our plan network not listed in this directory. To receive a directory of your plan’s entire provider network, please call Member Services at the number listed on the first page and back cover of this booklet, or visit www.wellcare.com/fidelisNY.

Pharmacies in this directory are grouped by type of pharmacy and listed alphabetically, by County and City.

If you have questions about any of the above, please see the first page and back cover of this directory for information on how to contact us.

To access Wellcare By Fidelis Care's online pharmacy directory, you can visit www.wellcare.com/fidelisNY. For any questions about the information contained in this directory call Member Services at the phone number listed on the first page of this booklet.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Express Scripts Pharmacy. For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us **14 calendar days** before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us at **1-833-750-0201** (TTY **711**), 24 hours a day, seven days a week, or visit **[express-scripts.com/rx](https://www.express-scripts.com/rx)**.

Typically, you should expect to receive your prescription drugs within **14 calendar days** from the time that the mail service pharmacy receives the order. If you do not receive your prescription drugs within this time, please contact us at **1-833-750-0201** (TTY **711**), 24 hours a day, seven days a week, or visit **[express-scripts.com/rx](https://www.express-scripts.com/rx)**.
