## Sección 1 - Introducción

Este directorio proporciona una lista de los proveedores de la red de Wellcare By Fidelis Care.

Usted deberá elegir a uno de los proveedores de nuestra red incluidos en este directorio como su **Proveedor de Cuidado Primario (PCP)**. Generalmente, usted debe recibir sus servicios de cuidado de la salud de su PCP. El término PCP será utilizado a lo largo de este directorio.

El PCP que elige será en su médico. Él o ella llegarán a conocerlo y le dará su cuidado de rutina, y también coordinará cualquier otro servicio cubierto que usted necesite.

Para elegir o cambiar su PCP, revise la lista de PCP de este directorio hasta que encuentre el que prefiera. Una vez que haya seleccionado un PCP, lo primero que debe hacer es llamar al consultorio de dicho profesional, preguntar si acepta Wellcare By Fidelis Care, y si está aceptando nuevos pacientes. Esa es la mejor manera de asegurarse de que usted puede elegir a ese médico. **Si usted es nuevo en nuestro plan y el médico que ha estado viendo es un PCP de nuestra red, usted puede elegir a ese médico como su PCP y usted no será considerado como un paciente nuevo por ese médico.**

Los proveedores de la red incluidos en este directorio han acordado proporcionarle servicios de atención médica. Puede ir a cualquiera de nuestros proveedores de red incluidos en este directorio; sin embargo, algunos servicios pueden requerir una remisión del médico. Si usted ha estado consultando un proveedor de la red, no tiene la obligación de seguir consultando al mismo proveedor. Si siente que necesita cambiar de proveedores, llame al Servicio para Miembros al número que se indica en la primera página y en la contraportada de este folleto, y solicite ayuda para encontrar un nuevo proveedor. Para obtener información detallada acerca de remisiones y servicios fuera de la red que cubre su plan, consulte su Evidencia de Cobertura.

Una vez que haya escogido a su PCP, infórmenos su elección llamando al Departamento de Servicios para Miembros al número de teléfono que aparece en la primera página y en la contraportada de este folleto. También podemos ayudarle a escoger un PCP.

### Tiempos de espera para la atención primaria y la salud conductual

Debemos brindarle acceso a los servicios de atención primaria y de salud conductual dentro de los siguientes plazos:

- de inmediato para servicios urgentemente necesarios o una emergencia;
- en un plazo de 7 días para servicios que no son de emergencia ni urgentemente necesarios, pero por los que usted requiere atención médica;
- en un plazo de 30 días para cuidados preventivos y de rutina.

### Proveedores dentro y fuera de la red

Los proveedores dentro de la red son aquellos que tienen contrato con su plan a fin de prestar servicios esenciales que son necesarios para mantener y mejorar su salud. Por lo general, los proveedores de la red ofrecen gastos de bolsillo más bajos para los miembros del plan.

Si obtiene cuidado de rutina de proveedores fuera de la red, ni Medicare ni Wellcare By Fidelis Care serán responsables de los costos.

## **¿Qué debo hacer si tengo facturas de proveedores que no forman parte de la red y considero que Wellcare By Fidelis Care debería pagarlas?**

Cubrimos ciertos servicios de cuidado de la salud que usted recibe de proveedores que no pertenecen a la red. Entre estos servicios se incluyen atención para una emergencia médica, cuidados urgentemente necesarios, diálisis renal (riñón) que se le brinda cuando se encuentra temporalmente fuera del área de servicios del plan, atención que Wellcare By Fidelis Care haya aprobado con anticipación, atención que haya recibido a través del beneficio fuera de la red del plan (si corresponde) y cualquier servicio que se haya ordenado cubrir por medio de un proceso de apelación. Si un proveedor no perteneciente a la red le pide que pague por cualquier servicio cubierto que reciba en estas situaciones, comuníquese con Servicios para Miembros al número de teléfono que aparece en la primera página de este folleto.

La ley federal establece que no se obligación pagarle a **ningún** proveedor que acepte Medicare un monto superior al que está permitido por Medicare. Pida a los proveedores que no pertenecen a la red que nos facturen primero, o envíenos la factura cuando la reciba. Nosotros pagaremos nuestra parte del costo y le haremos saber lo que usted debe pagar. Si ya pagó por servicios cubiertos por el plan, envíenos la factura y su recibo, y le reembolsaremos nuestra parte del costo. La dirección a la que se enviará la factura se encuentra en la parte posterior de su tarjeta de identificación (ID).

## **¿Cómo recibo cuidado en caso de una emergencia médica o una necesidad urgente de cuidado?**

El cuidado de emergencia siempre se puede obtener del proveedor disponible más cercano. Cuando esté en su área de servicio del plan, debe usar proveedores de la red para cuidado urgentemente necesario. Fuera del área de servicio, el cuidado urgentemente necesario se puede obtener del primer proveedor disponible. Además, si se encuentra temporalmente fuera del área de servicio, usted puede recibir tratamiento de diálisis de cualquier proveedor de diálisis calificado.

## **¿Qué debo hacer si tengo una emergencia médica?**

- Obtenga ayuda médica tan pronto como sea posible. Llame al **911** o diríjase directamente a la sala de emergencias más cercana. En una emergencia, usted nunca necesita comunicarse con ningún proveedor del plan para obtener permiso (autorización) o una remisión del médico.
- Tan pronto como sea posible, asegúrese de informar a nuestro plan sobre su emergencia. Necesitamos hacerle un seguimiento de su atención de emergencia. Usted o alguien más deben llamar para informarnos sobre su atención de emergencia, usualmente dentro de las 48 horas. Llame a nuestro Departamento de Servicios para Miembros al número indicado en la primera página y en la contraportada de este folleto.

Su PCP ayudará a administrar y realizar el seguimiento de su atención de emergencia. Es importante saber que cada emergencia tiene dos etapas.

Cuando los médicos u hospitales que ofrecen atención de emergencia consideran que su condición ya es “estable”, finaliza la primera etapa de la emergencia médica. Sin embargo, incluso después de que su afección se haya estabilizado, se considera que usted aún se encuentra en una situación de emergencia. Wellcare aún debe pagar el tratamiento posterior a la estabilización proporcionado por el hospital, independientemente de si el hospital es un proveedor de la red. Esta segunda etapa de la emergencia, se denomina “postestabilización”.

Generalmente, el hospital o los médicos que proveen atención de emergencia trabajarán con su PCP para llegar a un acuerdo en cuanto a un curso de acción adecuado, tal como el alta o la transferencia a otro centro hospitalario o a un centro de cuidado diferente. Una vez que esto haya ocurrido, usted ya no se encuentra en una situación de emergencia o postestabilización.

Después de su emergencia, su plan es responsable de su cuidado de seguimiento, pero sólo pagará por cuidado de seguimiento si usted sigue las reglas del plan. Es posible que necesite obtener autorización de los proveedores del plan para su cuidado de seguimiento. Si usted obtiene su cuidado de seguimiento de proveedores que no pertenecen al plan, el plan puede no pagar por ellos y sus gastos de bolsillo pueden ser más altos.

### **¿Qué sucede si no se trataba realmente de una emergencia médica?**

A fin de que el plan pague por su atención de emergencia, usted no tiene que estar seguro de que se trata de una emergencia. Por ejemplo, usted se dirige a la sala para recibir atención de emergencia porque piensa que su salud está en grave peligro, pero el médico no está de acuerdo y considera que no se trata de una emergencia médica. Si esto ocurre, el plan aún cubre el tratamiento y el cuidado de diagnóstico que haya recibido para determinar su estado de salud. Para obtener más información acerca de servicios cubiertos, consulte su Evidencia de Cobertura.

- Si usted recibe algún cuidado adicional luego de que el médico indique que no se trata de una emergencia médica, su plan pagará únicamente el cuidado adicional si lo recibe de un proveedor de la red.
- Si usted obtiene algún cuidado adicional de un proveedor no perteneciente a la red después de que el médico indique que no fue una emergencia médica, el plan solo pagará por él si es considerado como “urgentemente necesario”. Para obtener más información acerca de lo que califica como “cuidado urgentemente necesario”, consulte su Evidencia de Cobertura.

La lista de proveedores está ordenada por condado. Dentro de cada condado, se ha clasificado a los proveedores en orden alfabético, por categoría y por especialidad.
